

VISITOR RESTRICTIONS

To limit the ever-increasing spread of the COVID-19 and flu viruses, we have temporarily changed our visiting policies for Froedtert Kenosha Hospital, Froedtert Pleasant Prairie Hospital, and Froedtert South clinics.

Hospitalized patients: A “No Visitor” policy is in effect.*

Emergency Department, Clinic and Cancer Center patients: A “One Support Person” (age 18 and over) policy is in effect if the patient is unable to attend the visit alone.*

Outpatient Surgery and Outpatient Procedure patients: A “One Support Person” (age 18 and over) policy is in effect if the patient is receiving anesthesia and cannot attend the visit alone.*

Lab, x-ray and other unscheduled test patients: A “Patient Only” policy is in effect unless the patient needs assistance of some kind by an adult to complete the visit.*

*Exceptions will be made on a case-by-case basis.
Please call (262) 656-2011.

Thank you for your understanding and support as we work with you to minimize exposure to these infectious conditions and provide the safest environment we can for you, your loved ones, and our community.
